THE LAST 6 MONTHS WORK – TOWER CRANE ERECTION

Site plan of the proposed development at 1000 Kensington Avenue. The plan shows the layout of the site with various colored areas: a yellow 'Basketball' court, a large green 'HCS BUILDING', a blue 'TOWER' building, and a grey 'GARAGE' building. A red line outlines the perimeter of the site. A north arrow points towards the top right. A legend on the right side provides elevations for the 'TOP OF CAP' (25.770 m), 'Top of Basement' (24.570 m), 'B1' (20.030 m), and 'B1 EXCAV' (19.130 m). The plan also shows surrounding streets: Kensington Avenue, Kensington Drive SE, and Kensington Way. A 'Kensington Way' label is also present at the bottom left.

THE NEXT 6 MONTHS WORK – STEELWORK
